Work Experience

Sales and Marketing Representative

March 2020 – May 2020

Equity Bank
In the role of Sales and Marketing Representative at Equity Bank, responsibilities included driving sales and promoting various banking products to clients. This position required strong interpersonal skills to effectively communicate the benefits of the bank's offerings. Collaborating with team members to strategise and implement effective marketing campaigns was essential. Additionally, maintaining customer relationships and addressing their inquiries ensured high levels of customer satisfaction.
